Redwood

Yosemite

Grand Canyon

Yellowstone

Mt. Rainier

Everglades

Take an artistic journey through the National Parks

Rumriver Art Center instructors will lead participants ages 5-15 years old step-by-step through each project, allowing students to understand the process of each technique and still create their own unique masterpiece. There will also be a concert in the park each week that will start at 6:30pm, so you can stay for the music if you want!

For this year's Art in the Park, participants will receive a passport that they can bring with them to each of the art in the park events. They will get a stamp in their passport at each event. Each event will feature a project from different National Parks from around the country.

Registration

Registration is required. The classes are free. Classes are for children ages 5-15 years. Class is limited to first 15 participants per session. Participants must check-in 5 minutes prior to the start of class or risk losing their spot. At 5:25 we will open the class up to walk-in participants on a first-come-first serve basis as there are a few additional spots available.
