

Ramsey Parks & Recreation Presents: Vitality Arts Older Adults Art Camp - Art Journaling in Nature

Join us for a week of art journaling!

Nature is an open canvas as we look outside to find our subject. Observational drawing is a tool that encourages looking closely and recording what you experience. Students will create a nature sketchbook of their very own and head outside to draw about what they see, hear, smell and wonder. Students will have chance to use pencil, charcoal, pastels and watercolor to create their vision.

Registration is required for this program. The cost is \$100 per person. This camp is geared for older adults ages 55+, but any adult can register.
