Ramsey City Code requires that all dogs and cats be licensed with the city, as well as vaccinated against rabies. City staff will be issuing free pet licenses during the clinics. If your dog or cat has been vaccinated recently but you do not have a current license, you may obtain a license at the clinic by bringing in your pet’s current rabies vaccination certificate. The license fee is normally \$10.00 for spayed or neutered pets and \$20.00 for pets that are not spayed or neutered, but will be **FREE** at the clinics.

You must attend one of the clinics to be eligible for a free license. Licenses are good for a maximum of two years, so please bring your paper copy with you to the pet clinic as the tags are not dated. If you are not visiting the veterinarian at the clinic, you are not required to bring your pet with you to obtain the license.

**All animals must be leashed when brought to the clinic.**

This is a great opportunity to protect you, your pet, and your community through low-cost pet vaccinations. For more information, contact Joleen Wiemann at the Ramsey Police Department at 763-427-6812 or e-mail [jwiemann@ci.ramsey.mn.us](mailto:jwiemann@ci.ramsey.mn.us).
