

**Want to learn more about the natural  
and cultural history of Minnesota?**

**Need an excuse to get outside and go  
for a nature hike?**

**How about becoming more involved in environmental  
conservation and stewardship in your community?**

*To accomplish all this and MORE:  
become a Minnesota Master Naturalist\**

*Field Biology: Prairies and Potholes*

BIOL 1110, 3 cr
