

What Do You Want in Our Backyard?

Join us for a workshop to discuss future land use in your neighborhood
Thursday, February 6, 2020, 5:30 p.m. to 6:30 p.m.
Ramsey Municipal Center, Alexander Ramsey Room
7550 Sunwood Drive NW

The City has received a request to review a sketch plan of a twenty-six (26) unit, attached townhome development generally located south of 146th Avenue NW, and west of Nowthen Boulevard NW. This was previously reviewed as an eight (8) unit attached townhome development, but the developer has incorporated three (3) additional parcels (lots) into the project. For more information on the project, please visit www.cityoframsey.com/development.

The City strives for a more collaborative public engagement process and involving residents much earlier in the decision making process. The developer will be in attendance. Please note that if the project moves forward, there will be additional opportunities for public comment.

We value your input in this important neighborhood decision. Please let us know if you have any questions. If you are unable to attend, there are many other ways to submit comment. We are available by phone at 763-433-9824 or by email at planning@cityoframsey.com.

Sincerely,

CITY OF RAMSEY
