Dear Peddler/Solicitor License Holder or Applicant:

COVID-19 has impacted the way business can be conducted. In order to protect our residents, peddlers and solicitors from exposure and transmission of COVID-19, the City is suspending all existing Peddler and Solicitation licenses that are “door to door” or “business to business” indefinitely. *If you or your business have received this letter, your license has been suspended.*

In addition, applications for new Peddler and Solicitation licenses that are “door to door” or “business to business” will not be processed or issued until further notice. If conditions improve, and the suspension is lifted, your business will be notified that the license will be active and business can resume. Applications in-process and future applications will be processed once conditions improve.
