Certificate of Liability Insurance

Must be furnished by your Insurance Agent with the mandatory changes below. Must list the City of Ramsey as an additional insured. You are required to have public liability, and property damage insurance to protect license holder and City of Ramsey from all claims for damage to property or bodily injury, including death, which may arise from operations with the following coverage: Food Vendors, minimum \$500,000 policy, PER OCCURRENCE.

Booth Dimensions/Location

We will do our best to accommodate your desired booth size. Please be sure to indicate your desired size on the Food Vendor Application. At a minimum, or if sufficient information is not provided, you will be allotted a stall as space is available.

Sustainability Guidelines and Product Purchasing Guidelines

The Elmcrest Art Fair is pursuing efforts to be a sustainable event with less waste generated. As a food vendor, we need your assistance to accomplish this goal. Vendors are *required* to use Biodegradable Product Institute (BPI) certified compostable products, or recyclable products only. The use of Styrofoam products are not allowed since they are neither compostable nor recyclable. Please familiarize yourself with the attached Product Purchasing Guidelines prior to submitting this application.

Electricity

Electricity will *not* be provided. You must provide your own power. You must provide outdoor cord covers to reduce tripping hazards.

Event Parking

You will be allowed to park one vehicle at your booth. Additional parking will be available at the park, there is ample parking available. Violators will be towed, no exceptions.

Noise Reduction

All food vendors will be required to supply plywood to reflect generator noise from the event space.

Anoka County Inspections:

Food vendors are required to meet all Anoka County Health requirements. They must obey all State Statues, County regulations, and City ordinances regarding licenses, health and safety codes, vehicle requirements, and fair trade practices. Food vendors must abide by state and local Fire Codes.

As of January 1, 2018, Anoka County will be requiring all mobile food units, seasonal temporary food stands, and food carts to obtain an [Anoka County license](#).

PRODUCT PURCHASING GUIDELINES

The City of Ramsey wants the Elmcrest Art Fair to be a sustainable event by striving to generate less waste. We have already incorporated recycling and compostable receptacles into the event. The intent is to divert as much material from landfills as possible. Products that make this goal most challenging include Styrofoam, plastic utensils, plastic plates, paper boats, and plastic straws. Thus, we are requiring all food vendors utilize and distribute compostable or recyclable products only. Compostable products include all certified compostable products with the BPI certification logo pictured to the right.

Please note that products labeled as biodegradable, or those that state, “plastics made from plants or corn starch,” are not necessarily compostable. As a reminder, certified compostable products need to be BPI certified and will have the logo pictured above. Alternatives to certified compostable products that you can use include recyclable products. Plastic cups made from polyethylene terephthalate (PET), designated by a #1, can be recycled, and thus would be acceptable.

Below is a list of local vendors that offer certified compostable products. Note that this list is not an endorsement of any company listed, but rather intended to help you locate and purchase certified compostable products.
